

those in favor vote aye, opposed nay. We're voting on the adoption of the Vard Johnson amendment. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays on adoption of Senator Vard Johnson's amendment, Mr. President.

SPEAKER NICHOL: The Vard Johnson amendment has been adopted. Anything further on 345?

CLERK: Nothing further on the bill, Mr. President.

SPEAKER NICHOL: Okay, Senator Hall.

SENATOR HALL: Mr. President, I would move that LB 345 be advanced from Select File to E & R for engrossment.

SPEAKER NICHOL: You've heard the motion. All those in favor say aye. Opposed nay. It is advanced. Do you have anything further, Mr. Clerk? I understand some amendments are coming along on 223 so we will pass over that also. Do you have anything, Mr. Clerk?

CLERK: Mr. President, no, sir, the only thing, again, the Reference Committee will meet at eleven forty-five, if they are not doing so already. That's all that I have.

SPEAKER NICHOL: I might mention to you that you know we're off this coming Monday so that you can plan accordingly, but we will start tomorrow at nine o'clock as usual. I would ask that if you have amendments coming up on bills, please be here to take them up or have somebody do that for you. Secondly, if you have bills coming up, let me know if you are going to be absent. It is a little embarrassing to put these bills on and then you are not here. So if you know you are going to be absent, please let me know. I understand that some are sick and that is not planned, but if you know you are going to be absent, please let me know. Senator Jerry Miller, would you like to adjourn us until tomorrow, please.

SENATOR MILLER: Mr. President, members, I make a motion that we adjourn until 9:00 a.m. Friday, the 15th.
